

Excavator Pricing

SP 81 - Effective May 1, 2018

Discovery Crossover Series Excavators

Discovery Series excavators are the cost-effective solution for governments and contractors who need to get to jobs faster, complete many different jobs with fewer men and machines, all while keeping within tight equipment budgets. Both two-wheel and four-wheel-drive models feature the famous telescoping, tilting Gradall boom as well as a Freightliner truck chassis.

Model	Net Weight Lbs (kg)	Price
D152 4x2	32,200 (14,600)	\$252,732
D154 4x4	34,500 (15,650)	\$278,689

Highway Speed Wheeled Excavators

Highway speed excavators can be driven up to 60 mph, eliminating the need for a lowboy trailer while they move quickly to job sites and then back to the safety of the equipment yard. Series V models feature full tilting telescoping booms and new Tier 4 final complaint Volvo engines as well as AutoDrive™ mobility advantages including an automatic transmission and other advantages.

Model	Net Weight Lbs (kg)	Price
XL3100 V 4x2	40,930 (18,566)	\$331,790
XL3100 V 4x4	41,720 (18,924)	\$359,380
XL4100 V 6x4	49,684 (22,539)	\$398,128
XL4100 V 6x6	50,925 (23,099)	\$418,197
XL5100 V 6x4	57,670 (26,159)	\$450,649
XL5100 V 6x6	58,379 (26,488)	\$470,276

Rough Terrain Wheeled Excavators

Excellent stability allows rough terrain wheeled models to pick and carry large loads as well as work at the front, rear or either side of the carrier - all without the need for optional outriggers. A highly mobile undercarriage on Series V models moves easily over both pavement and dirt, all powered by a Tier 4 final complaint Volvo engine. The low profile telescoping boom can work under bridges and trees, accomplishing more work with full boom tilt advantage.

Model	Net Weight Lbs (kg)	Price
XL3300 V	39,294 (17,823)	\$296,512
XL4300 V	43,580 (19,768)	\$326,528
XL5300 V	51,216 (23,231)	\$381,053

Crawler Excavators

Series V models feature Tier 4 final complaint Volvo engines and other advantages, preparing them for cost efficient, highly productive versatility on mud, rocks, sand and dirt. Versatility is rooted in the legendary full tilting, telescoping boom that can do more with more attachments, even working under bridges and in tunnels where conventional booms won't fit.

Model	Net Weight Lbs (kg)	Price
XL3200 V	39,240 (17,799)	\$252,028
XL4200 V	46,862 (21,256)	\$305,783
XL5200 V	54,452 (24,699)	\$365,718
